Thursday Morning, Dec. 20, 1855

The National Intelligencer, puplishes a terity and died for mankind." long and very able letter from the venerable George Robertson, of Kentucky, late American party. A few extracts, for

Is our day and country these rare elements mous. have ever classified our people into two principal parties, called of late years Dumocrats and Whigs, more anciently by oth-

years his politeral opinions have been es- cases, taxed the same property as much as ciations, of latter years, have been with ship, the property taken by the same assesthe Whig party-but, considering that therefore felt no hesitation in uniting him- ever assembled in Ohio. The last Legisself with a party "more national in spirit lature, amongst other equally unnecessary

"In taking this step I have neither been recreant, nor faithless, nor inconsistent.—
To preserve my reliables and balls."

The preserve my reliables are labeled to be a prices varying from \$1 to \$4 per day. To preserve my principles, and help to purify and restore our institutions. I have there has been this new party formed?—

The following Sabuath morning she was prepared for baptism at the house of Dr. Hamlin, by these two girls, and then sent

"Are these principles and doctrines unsound? Are they not congenial with our institutions, and would they not be conducted to our happy dustiny? Ought they not to be the practical doctrines of every Whig and Union Democrat—of true American citizens? I consider them, each American citizens? I consider them, each and speak through the public journals, and write your views on the different items to be legislated on, as your minds may be exercised, for exercised it is doubtward at once, but some of a tender regard for the rights of our McGowan, is the mother-in-law of Watchman Cassiday, who was present and knew what was going on! He was angry at Mrs. McGowan for bringing the girl to the house, but told her (the girl) that he was Northern Demecracy in the form of a zealtherefore mise. Believing that they are to delay. The Legislature assembles in a the sisters! essentially those of the American party, few days, and we wish them to push foressentially those of the American party, in the legislature assembles in a few days, and we wish them to push for ward, do what is necessary to be done, increasing and commending the infamous took the girl to "Father Purcell," who attempts of Pierce, Shannon, Archison whigs or Democra's concur with us as to as short time and at as little expense as gave them a permit to the Cummingsville and company, to strangle freedom in Kanhave no paramount repugnance to any of prudence would dietate. them, why should they not co-operate with us in our organized efforts to rescue our country from the local factions which disturb its tranquility and threaten its dis-memberment? What is there in a name? opposed us cannot unite with us, surely was found that, all together, the advertise, them; the motives which separated us ments would have formed a strip of paper, truly say, that I cannot now see any good the Association a nice sum of money. reason why I should leave the American The Illustrated Catalogue is printed upon tion he possessed.

the madness of sectional strife and the high Eastern office, mailing, corresponding &c.

"I feel that the fire which glowed on our country's alter at the baptism of the Union is not yet quenched, and I trust that, whenever invoked by the true hearts that should minister at the alter, it will blaze forth and

By these items the reader may infer feed that sacred fire until our common country, from its centre to its circumfer- Register ence, shall glow with its genial radiance, is, if I mistake not, the mission of the American party; and, if I am not deceived. this now fraternity will preserve in their work and grow stronger and stronger, until they can see that the Union is safe and impregnated against all coalitions of forsign foes and domestic traitors. Whatever may betide its organization, its principles and policy must trumph, or the Union will couse to live and to bless.

He concludes "Such, my ansient friends, are the sen-

iments of an American citizen, born in The ABDUCTION of MARIA DENNISON the wilds of Kentucky, under the flag of the National Constitution, who, too old to be embicious has lived long enough to know the paramount value and countless blessings of the Anglo-American Union, constructed by the wisdom and cemented with litical patriarches who ever lived for pos-
